JEFFREY GROSE COMMUNITY SERVICE RECOGNITION FORM

It was the Founder of Troop 680 who encouraged Girl Scouts to volunteer for community service. Girls can earn recognition by performing at least **twelve (12) hours** of work to benefit the public, community or persons in need. Please record your community service by completing this form. After the Jeffrey Grose Community Service Badge is earned, girls can earn Community Service Stars. Submit a separate form for each award. Refer to the Community Service Recognition section in the Troop 680 Handbook for additional information.
